ACCESS YOUR PSYCHOLOGICAL CAPITAL

Trading is more than just an intellectual event and, similar to the preparation of an athlete, requires effective training. This unique "one-on-one" video discussion introduces personal insights and recommendations to help train yourself to effectively react to the market.

FULL RISK DISCLOSURE: Futures trading contains substantial risk and is not for every investor. An investor could potentially lose all or more than the initial investment. Risk capital is money that can be lost without jeopardizing ones financial security or life style. Only risk capital should be used for trading and only those with sufficient risk capital should consider trading. Past performance is not necessarily indicative of future results.
