

Questions to answer throughout the day:

- What is the market doing?
- What is the market trying to do?
- How well is it getting it done?

What I did well today:

- Today I watched the market waiting for my entry.

What could I have done better:

- After my first trade I could have gone for a repeat.
- Better job tracking.
- More sleep.

What will I do tomorrow to make things better:

- Be sure to get better night sleep tonight.

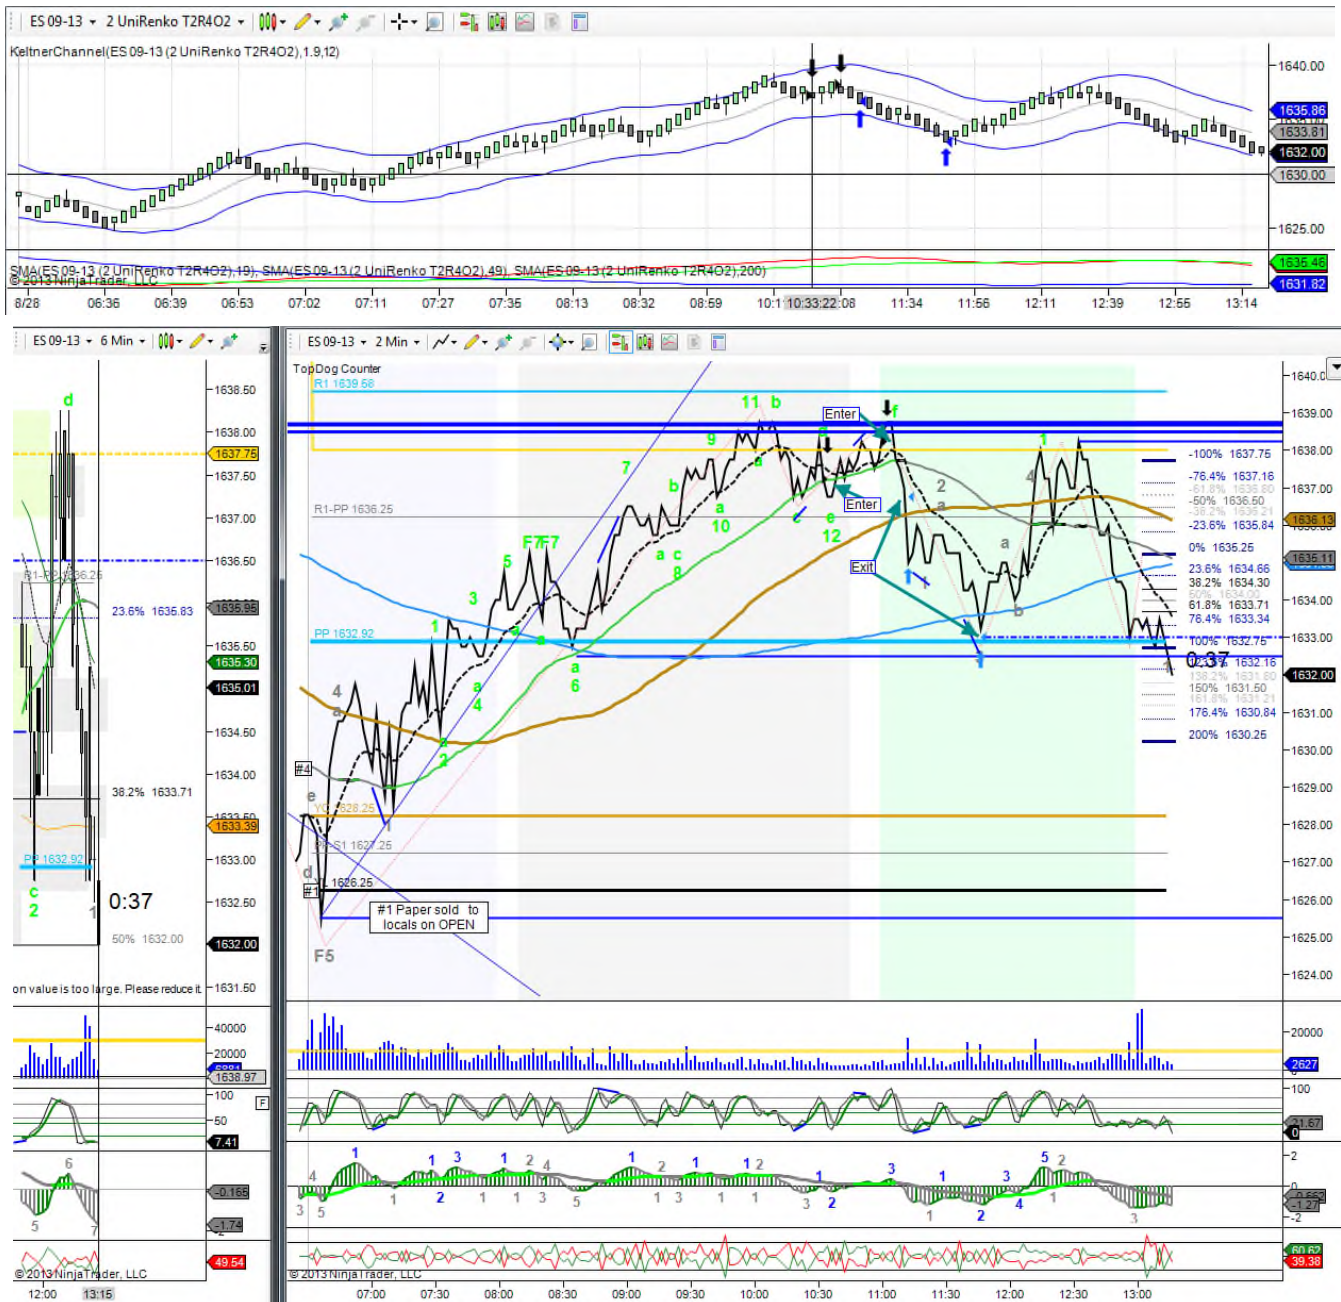

- Follow up with C# computer training.
