

Questions to answer throughout the day:

- What is the market doing?
- What is the market trying to do?
- How well is it getting it done?

What I did well today:

- Realized distracted so didn't trade.
- Kept all records and followed market.

What could I have done better:

- Gone to Best Buy and bought monitor directly.

What will I do tomorrow to make things better:

- Prepare. Have my new monitor.
