

Questions to answer throughout the day:

- What is the market doing?
- What is the market trying to do?
- How well is it getting it done?

**What I did well today:** \* Today I continued to SIM trade. \* I stayed in SIM today.

**What could I have done better:** \* Paid more attention to SIM trades \* Not try to Hollywood the follow on trades to make up for earlier loses instead of tripling them. \* Learn to quit while I am behind.

**What will I do tomorrow to make things better:** \* Tomorrow is the one week anniversary of my fathers death. Another SIM trading day if at all.
