May Funded Trader Update

Funded Trader Shout Outs

- ★ OBX_Trader accomplished an impressive three out of four winning weeks, way to trade that Crude Oil.
- ★ Hometown hero, DOLBYTIME, crushed it with a single day return of 6.25%! Now that's what we like to see.
- ★ DarthTrader deserves some serious recognition for a reward/risk ratio that was nearly 10:1, resulting in a profit of \$2,022 in just one day. Now that's reward over risk.
- ★ Russian trader, Dr.Moro, came out of the gate charging, starting his account with a four day winning streak, netting him \$989!
- ★ Spiritcenter, who said in his NFT interview that his biggest strength is "keeping it simple," is keeping it real with a sizable \$1,655 balance since beginning his funded account this month.
- ★ Churinga who's been trading on his funded account for 8 months, scalps his way to ten winning trades in a row setting a new Funded Trader record.
- ★ Our youngest Funded Trader - Beanz-trader Jr (14 years old) is keeping a positive account balance through his first 4 days with meticulous trade entries.
- ★ Remember Lemons from Estonia? Well, he holds the longest winning streak for the month, killing the game at 8 consecutive days.

- ★ Seabiscuit's profits are ringing in faster than he ran the Derby. Eight consecutive winning trades in CL netting a profit of \$1,339!
