Short one more. Tighten stops after new h1. don't want to give in all the way for weekly mpocs

1/8/2017 20:26 - Screen Clipping

Tightening one stop as there was a h1 small exhaustion warning

1/8/2017 22:12 - Screen Clipping

Tightening and watching to squeeze some profit

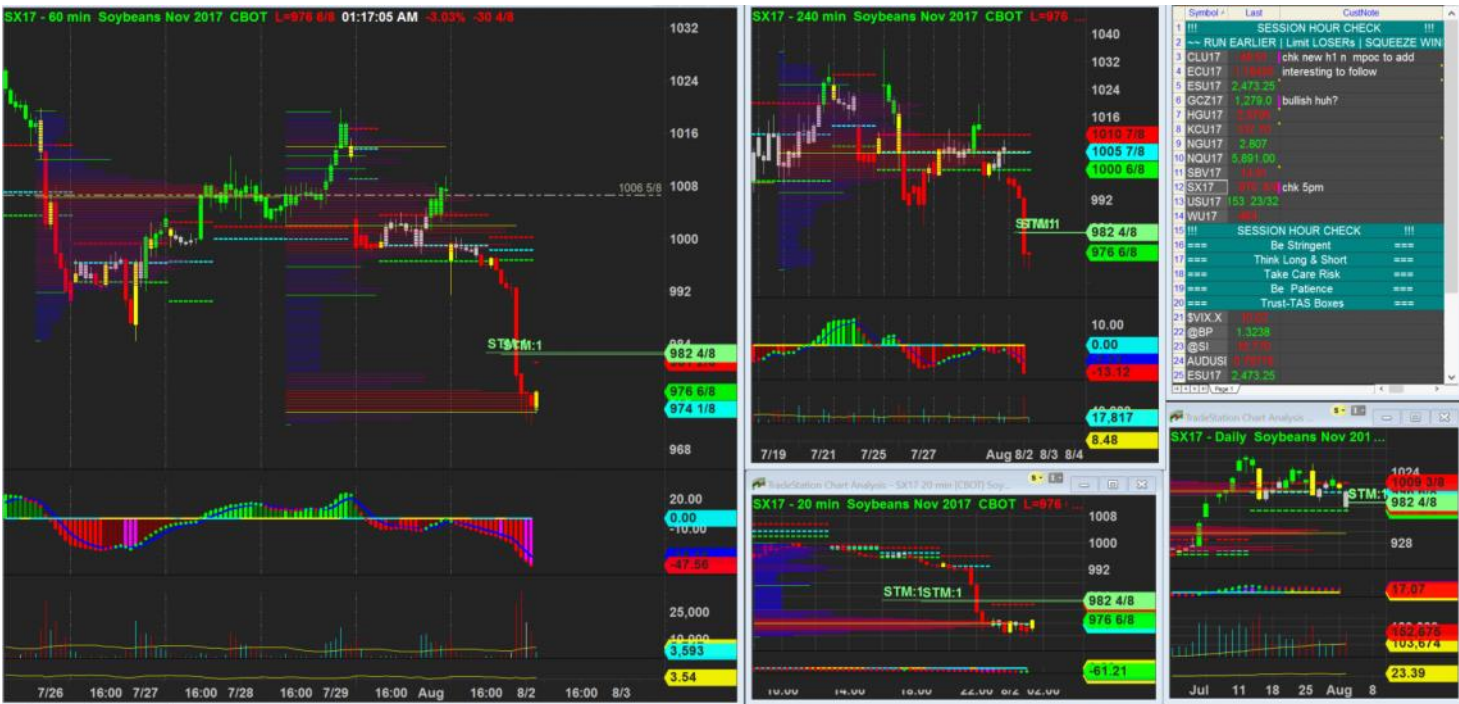

1/8/2017 22:28 - Screen Clipping

Still watching and waiting for m20 to give some reference

1/8/2017 23:01 - Screen Clipping

Pushing one lot to h1 small mpcoc which is also m20 new hva for now.

2/8/2017 01:17 - Screen Clipping
 Pushing down after h1 navi got -47 with vol build up and mpoc near bottom of vol congestion
 Staying above m20 hva for now

2/8/2017 14:29 - Screen Clipping
 Didn't scale out, as h4 still got no new box this morning and h4 navi still way to go bfr oversold
